

assistants, residence hall safety patrol workers, programming assistant, learning community liaison, diversity mentors and academic support or tutor

Social Program

- Any social program that focuses on resident interaction and their ability to meet new people. Programs in this category can range from a floor social program to a campus wide program.

Spotlight

- This category works to recognize the impact of anything that does not fall under any of the other categories that have made notable contributions to the campus community. Individuals or groups that would be eligible for nomination in any other category are
